All Preparatory Work, Artwork and Scans are chargeable and NOT a free service.

Your instruction to commence any artwork is your acceptance of these terms and you will be charged at full artwork, scanning or design prices. All artwork and intellectual rights remain the property of Digiprint and full ownership of designs can be purchased for an additional release fee.

Our Artwork and Design turnaround times may vary depending on the complexity of the project and workload but range from 1-3 days for a normal design job or artwork amend from rough artwork supplied.

Our prices include one amendment after the first proof to tweak designs. Further amendments will be charged at the standard hourly rate of **£39**

Hourly rate of design does not include stock images, scanning or professional images if required and printed proofs.

Initial Logo (3 options) and branding design at **£99** per hour.

File check/tweak service for customer supplied artwork is **£7.50** (max 10 mins)

\*Laser proofs should be used only as a guide to the layout of the job and should not be relied upon for 100% colour accuracy. If you are sure you need a more accurate colour proof we would suggest a wet proof at extra cost. Please ask for details.
